DESCRIPTION

2026 Volkswagen Jetta Comfortline | Digital Cockpit | Backup Camera

The 2026 Volkswagen Jetta Comfortline offers the perfect balance of efficiency, comfort, and modern technology in a sleek compact sedan. With its refined design and smooth driving dynamics, the Jetta continues to be a smart choice for drivers looking for reliability and everyday practicality. Powered by a 1.5L turbocharged TSI® engine producing 158 horsepower and 184 lb-ft of torque, the Jetta Comfortline delivers responsive performance while maintaining impressive fuel efficiency. Paired with a smooth automatic transmission, it provides a comfortable and confident driving experience whether you're commuting through the city or taking longer highway trips. Inside, the Jetta Comfortline features a well-appointed interior with premium materials and thoughtful design. Comfort features such as heated front seats, a heated steering wheel, and dual-zone climate control help make every drive more...
